- **/(your name)**
 - main index that says hello!
- **/check/song/(song title)**
 - will see if a song with this name is available

You looked up "Ghost". Here are the search results:

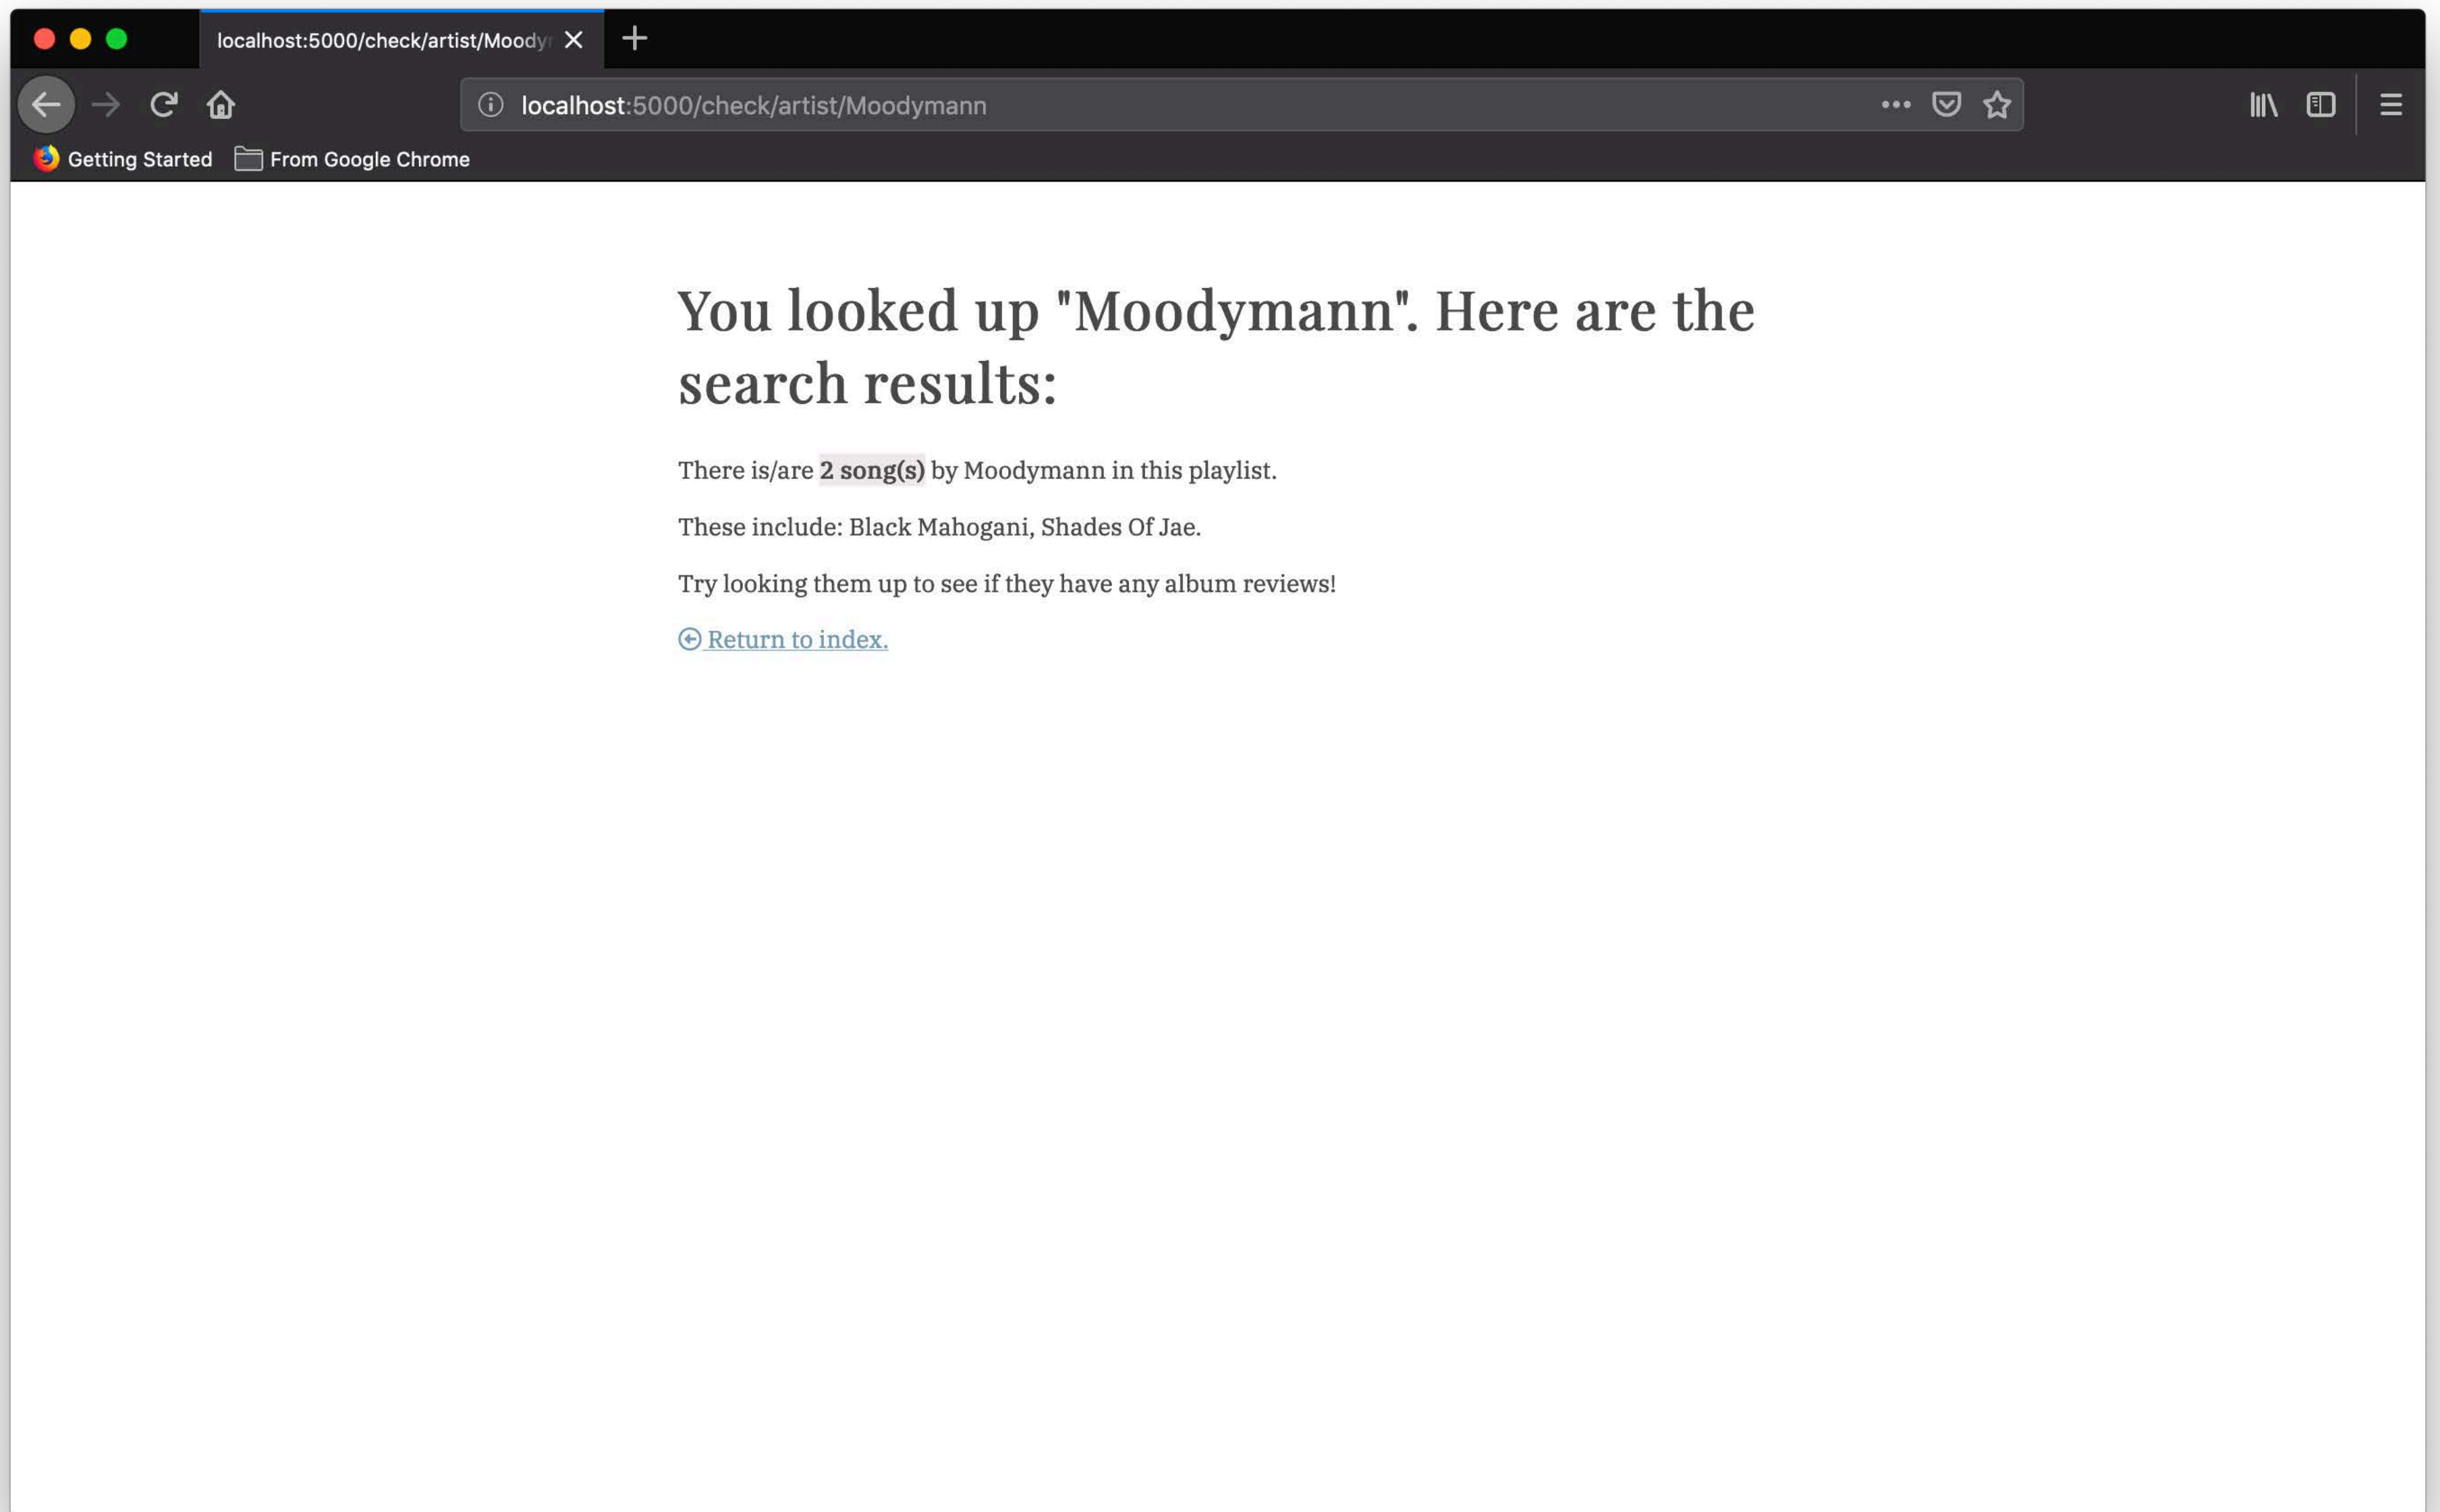

"Ghost" by Neutral Milk Hotel, from the album *In The Aeroplane Over The Sea*, is in this playlist. The album was released in 1998/2005 on the label **Merge**. Out of a possible 10, it has a rating of **10** on Pitchfork.

Here is the opening blurb to the article, penned by Mark Richardson:

The reissue of Neutral Milk Hotel's cult classic offers another opportunity to measure its reach and influence. Jeff Mangum's masterpiece mixes hushed folk, explosive brass, and unforgettable vocals that touch on pain, loss, memory, and hope.
